EXPLANATION OF PROGRAMS

Aid to Families with Dependent Children (AFDC)

This program helps provide the day-to-day financial needs of low-income families with children who are dependent because of absence of parent; incapacitated parent; or more recently, unemployed parent.

Medical Assistance

This is a supplement to the AFDC program which provides medical assistance to low-income families. For our reports, each person is counted as a case. Following is an explanation of Table 2:

Receiving Authorized Assistance from AFDC or SSI – Persons receiving both medical and financial assistance.

Not Receiving Assistance – Low-income persons who qualify for financial and medical assistance but receive only medical assistance. They are no longer eligible for the financial assistance because they live in a nursing home or other type of facility.

Medically Needy – Persons receiving medical assistance only because their income is above the financial assistance standard.

General Assistance, County Medical, Transient Relief, Burials

These are county-operated programs. They provide various types of temporary assistance for persons in need who do not qualify for Federally-assisted programs.

Food Stamps

This program supplements the food costs of low-income households with food stamps that are redeemable for groceries. We report this data by household (case) recipient and amount. There are two kinds of assistance:

Public Assistance – Persons receiving food stamps in addition to AFDC or General Assistance.

Non-Assistance – Persons receiving food stamps only.

Day Care

This program provides organized services for the direct supplemental care of children away from the child's home for a portion of a 24-hour day.

Title XX Regular – Day care for children of employed parents who are also receiving AFDC or whose income is less than 150% of AFDC payment levels.

Sliding Scale – Day care for children of working parents with income between 150% of AFDC payment level and 75% of the State's median income. SRS contributes from 92.3% to 7.7% of the day care costs, depending on the family income, and the parent contributes the balance.

WIN – Day care for children of AFDC recipients participating in WIN-sponsored training and/or children of WIN clients entering employment. WIN day care is also provided during the first 30 days of employment.

Title XX CWS – Day care for children of neglectful parents to prevent placement in substitute (foster) care.

Title IV-A – Money payment added to the AFDC grant as a special need to reimburse child care expenses for parents in training.

Foster Care

This table indicates the number of children and the total foster care payments by county of **financial responsibility**. It includes children placed in foster family homes, group homes, and child care agencies, both in-state and out-of-state. Those children who are in foster care, but no payment is being made by SRS, are **not** included.

AFDC – Includes all children in care who meet the eligibility requirements for AFDC foster care and includes AFDC Ward and Vietnamese.

CWS – Includes all other children in placement.

EXPLANATION OF PROGRAMS

Aid to Families with Dependent Children (AFDC)

This program helps provide the day-to-day financial needs of low-income families with children who are dependent because of absence of parent; incapacitated parent; or more recently, unemployed parent.

Medical Assistance

This is a supplement to the AFDC program which provides medical assistance to low-income families. For our reports, each person is counted as a case. Following is an explanation of Table 2:

Receiving Authorized Assistance from AFDC or SSI — Persons receiving both medical and financial assistance.

Not Receiving Assistance — Low-income persons who qualify for financial and medical assistance but receive only medical assistance. They are no longer eligible for the financial assistance because they live in a nursing home or other type of facility.

Medically Needy — Persons receiving medical assistance only because their income is above the financial assistance standard.

General Assistance, County Medical, Transient Relief, Burials

These are county-operated programs. They provide various types of temporary assistance for persons in need who do not qualify for Federally-assisted programs.

Food Stamps

This program supplements the food costs of low-income households with food stamps that are redeemable for groceries. We report this data by household (case) recipient and amount. There are two kinds of assistance:

Public Assistance — Persons receiving food stamps in addition to AFDC or General Assistance.

Non-Assistance — Persons receiving food stamps only.

Day Care

This program provides organized services for the direct supplemental care of children away from the child's home for a portion of a 24-hour day.

Title XX Regular — Day care for children of employed parents who are also receiving AFDC or whose income is less than 150% of AFDC payment levels.

Sliding Scale — Day care for children of working parents with income between 150% of AFDC payment level and 75% of the State's median income. SRS contributes from 92.3% to 7.7% of the day care costs, depending on the family income, and the parent contributes the balance.

WIN — Day care for children of AFDC recipients participating in WIN-sponsored training and/or children of WIN clients entering employment. WIN day care is also provided during the first 30 days of employment.

Title XX CWS — Day care for children of neglectful parents to prevent placement in substitute (foster) care.

Title IV-A — Money payment added to the AFDC grant as a special need to reimburse child care expenses for parents in training.

Foster Care

This table indicates the number of children and the total foster care payments by county of **financial responsibility**. It includes children placed in foster family homes, group homes, and child care agencies, both in-state and out-of-state. Those children who are in foster care, but no payment is being made by SRS, are not included.

AFDC — Includes all children in care who meet the eligibility requirements for AFDC foster care and includes AFDC Ward and Vietnamese.

CWS — Includes all other children in placement.

EXPLANATION OF PROGRAMS

Aid to Familes with Dependent Children (AFDC)

This program helps provide the day-to-day financial needs of low-income families with children who are dependent because of absence of parent; incapacitated parent; or more recently, unemployed parent.

Medical Assistance

This is a supplement to the AFDC program which provides medical assistance to low-income families. For our reports, each person is counted as a case. Following is an explanation of Table 2:

Receiving Authorized Assistance from AFDC or SSI – Persons receiving both medical and financial assistance.

Not Receiving Assistance – Low-income persons who qualify for financial and medical assistance but receive only medical assistance. They are no longer eligible for the financial assistance because they live in a nursing home or other type of facility.

Medically Needy – Persons receiving medical assistance only because their income is above the financial assistance standard.

General Assistance, County Medical, Transient Relief, Burials

These are county-operated programs. They provide various types of temporary assistance for persons in need who do not qualify for Federally-assisted programs.

Food Stamps

This program supplements the food costs of low-income households with food stamps that are redeemable for groceries. We report this data by household (case) recipient and amount. There are two kinds of assistance:

Public Assistance – Persons receiving food stamps in addition to AFDC or General Assistance.

Non-Assistance – Persons receiving food stamps only.

Day Care

This program provides organized services for the direct supplemental care of children away from the child's home for a portion of a 24-hour day.

Title XX Regular – Day care for children of employed parents who are also receiving AFDC or whose income is less than 150% of AFDC payment levels.

Sliding Scale – Day care for children of working parents with income between 150% of AFDC payment level and 75% of the State's median income. SRS contributes from 92.3% to 7.7% of the day care costs, depending on the family income, and the parent contributes the balance.

WIN – Day care for children of AFDC recipients participating in WIN-sponsored training and/or children of WIN clients entering employment. WIN day care is also provided during the first 30 days of employment.

Title XX CWS – Day care for children of neglectful parents to prevent placement in substitute (foster) care.

Title IV-A – Money payment added to the AFDC grant as a special need to reimburse child care expenses for parents in training.

Foster Care

This table indicates the number of children and the total foster care payments by county of **financial responsibility.** It includes children placed in foster family homes, group homes, and child care agencies, both in-state and out-of-state. Those children who are in foster care, but no payment is being made by SRS, are not included.

AFDC – Includes all children in care who meet the eligibility requirements for AFDC foster care and includes AFDC Ward and Vietnamese.

CWS – Includes all other children in placement.

EXPLANATION OF PROGRAMS

Aid to Families with Dependent Children (AFDC)

This program helps provide the day-to-day financial needs of low-income families with children who are dependent because of absence of parent; incapacitated parent; or more recently, unemployed parent.

Medical Assistance

This is a supplement to the AFDC program which provides medical assistance to low-income families. For our reports, each person is counted as a case. Following is an explanation of Table 2:

Receiving Authorized Assistance from AFDC or SSI – Persons receiving both medical and financial assistance.

Not Receiving Assistance – Low-income persons who qualify for financial and medical assistance but receive only medical assistance. They are no longer eligible for the financial assistance because they live in a nursing home or other type of facility.

Medically Needy – Persons receiving medical assistance only because their income is above the financial assistance standard.

General Assistance, County Medical, Transient Relief, Burials

These are county-operated programs. They provide various types of temporary assistance for persons in need who do not qualify for Federally-assisted programs.

Food Stamps

This program supplements the food costs of low-income households with food stamps that are redeemable for groceries. We report this data by household (case) recipient and amount. There are two kinds of assistance:

Public Assistance – Persons receiving food stamps in addition to AFDC or General Assistance.

Non-Assistance – Persons receiving food stamps only.

Day Care

This program provides organized services for the direct supplemental care of children away from the child's home for a portion of a 24-hour day.

Title XX Regular – Day care for children of employed parents who are also receiving AFDC or whose income is less than 150% of AFDC payment levels.

Sliding Scale – Day care for children of working parents with income between 150% of AFDC payment level and 75% of the State's median income. SRS contributes from 92.3% to 7.7% of the day care costs, depending on the family income, and the parent contributes the balance.

WIN – Day care for children of AFDC recipients participating in WIN-sponsored training and/or children of WIN clients entering employment. WIN day care is also provided during the first 30 days of employment.

Title XX CWS – Day care for children of neglectful parents to prevent placement in substitute (foster) care.

Title IV-A – Money payment added to the AFDC grant as a special need to reimburse child care expenses for parents in training.

Foster Care

This table indicates the number of children and the total foster care payments by county of **financial responsibility**. It includes children placed in foster family homes, group homes, and child care agencies, both in-state and out-of-state. Those children who are in foster care, but no payment is being made by SRS, are not included.

AFDC – Includes all children in care who meet the eligibility requirements for AFDC foster care and includes AFDC Ward and Vietnamese.

CWS – Includes all other children in placement.

EXPLANATION OF PROGRAMS

Aid to Families with Dependent Children (AFDC)

This program helps provide the day-to-day financial needs of low-income families with children who are dependent because of absence of parent; incapacitated parent; or more recently, unemployed parent.

Medical Assistance

This is a supplement to the AFDC program which provides medical assistance to low-income families. For our reports, each person is counted as a case. Following is an explanation of Table 2:

Receiving Authorized Assistance from AFDC or SSI – Persons receiving both medical and financial assistance.

Not Receiving Assistance – Low-income persons who qualify for financial and medical assistance but receive only medical assistance. They are no longer eligible for the financial assistance because they live in a nursing home or other type of facility.

Medically Needy – Persons receiving medical assistance only because their income is above the financial assistance standard.

General Assistance, County Medical, Transient Relief, Burials

These are county-operated programs. They provide various types of temporary assistance for persons in need who do not qualify for Federally-assisted programs.

Food Stamps

This program supplements the food costs of low-income households with food stamps that are redeemable for groceries. We report this data by household (case) recipient and amount. There are two kinds of assistance:

Public Assistance – Persons receiving food stamps in addition to AFDC or General Assistance.

Non-Assistance – Persons receiving food stamps only.

Day Care

This program provides organized services for the direct supplemental care of children away from the child's home for a portion of a 24-hour day.

Title XX Regular – Day care for children of employed parents who are also receiving AFDC or whose income is less than 150% of AFDC payment levels.

Sliding Scale – Day care for children of working parents with income between 150% of AFDC payment level and 75% of the State's median income. SRS contributes from 92.3% to 7.7% of the day care costs, depending on the family income, and the parent contributes the balance.

WIN – Day care for children of AFDC recipients participating in WIN-sponsored training and/or children of WIN clients entering employment. WIN day care is also provided during the first 30 days of employment.

Title XX CWS – Day care for children of neglectful parents to prevent placement in substitute (foster) care.

Title IV-A – Money payment added to the AFDC grant as a special need to reimburse child care expenses for parents in training.

Foster Care

This table indicates the number of children and the total foster care payments by county of **financial responsibility**. It includes children placed in foster family homes, group homes, and child care agencies, both in-state and out-of-state. Those children who are in foster care, but no payment is being made by SRS, are not included.

AFDC – Includes all children in care who meet the eligibility requirements for AFDC foster care and includes AFDC Ward and Vietnamese.

CWS – Includes all other children in placement.

EXPLANATION OF PROGRAMS

Aid to Families with Dependent Children (AFDC)

This program helps provide the day-to-day financial needs of low-income families with children who are dependent because of absence of parent; incapacitated parent; or more recently, unemployed parent.

Medical Assistance

This is a supplement to the AFDC program which provides medical assistance to low-income families. For our reports, each person is counted as a case. Following is an explanation of Table 2:

Receiving Authorized Assistance from AFDC or SSI – Persons receiving both medical and financial assistance.

Not Receiving Assistance – Low-income persons who qualify for financial and medical assistance but receive only medical assistance. They are no longer eligible for the financial assistance because they live in a nursing home or other type of facility.

Medically Needy – Persons receiving medical assistance only because their income is above the financial assistance standard.

General Assistance, County Medical, Transient Relief, Burials

These are county-operated programs. They provide various types of temporary assistance for persons in need who do not qualify for Federally-assisted programs.

Food Stamps

This program supplements the food costs of low-income households with food stamps that are redeemable for groceries. We report this data by household (case) recipient and amount. There are two kinds of assistance:

Public Assistance – Persons receiving food stamps in addition to AFDC or General Assistance.

Non-Assistance – Persons receiving food stamps only.

Day Care

This program provides organized services for the direct supplemental care of children away from the child's home for a portion of a 24-hour day.

Title XX Regular – Day care for children of employed parents who are also receiving AFDC or whose income is less than 150% of AFDC payment levels.

Sliding Scale – Day care for children of working parents with income between 150% of AFDC payment level and 75% of the State's median income. SRS contributes from 92.3% to 7.7% of the day care costs, depending on the family income, and the parent contributes the balance.

WIN – Day care for children of AFDC recipients participating in WIN-sponsored training and/or children of WIN clients entering employment. WIN day care is also provided during the first 30 days of employment.

Title XX CWS – Day care for children of neglectful parents to prevent placement in substitute (foster) care.

Title IV-A – Money payment added to the AFDC grant as a special need to reimburse child care expenses for parents in training.

Foster Care

This table indicates the number of children and the total foster care payments by county of **financial responsibility**. It includes children placed in foster family homes, group homes, and child care agencies, both in-state and out-of-state. Those children who are in foster care, but no payment is being made by SRS, are not included.

AFDC – Includes all children in care who meet the eligibility requirements for AFDC foster care and includes AFDC Ward and Vietnamese.

CWS – Includes all other children in placement.
